## About Our Peonies

Five years ago we divided and replanted our peony garden and discarded all but the best varieties. The bloom this year will demonstrate what can be accomplished in a short time and we have already enjoyed two years of wonderful bloom. Garden visitors will get to see over forty varieties not shown in the following list.

## Terms and Shipment

Cash with order. Check or Money Order

Heavy 3 to 5 eye divisions shipped early in September. Postage paid on all peony orders of \$3.00 or more; under \$3.00, add 25c for postage and packing.
